38 Special at FireLake Grand

Shawnee, OK- With thirty years of hits, 38 Special will bring their Southern Rock to FireLake Grand on Friday, November 4th. This legendary band will have the audience rockin' all the way home.

"We never wanted to be one of those bands that had maybe gotten a little soft or complacent over the years," reported Don Barnes, one of the co-founders of the group. "We're a team, and it's always been kind of an unspoken rule that we don't slack up, we stack up. We go out there every night to win."

With many Gold and Platinum Album Awards to their credit, it is obvious that they have lived that philosophy. Having sales over 20 million for their 15+ albums, their arena-rock pop hits include "Hold On Loosely," "Rockin' Into the Night," "Caught Up in You," "Fantasy Girl," "If I'd Been the One," "Back Where You Belong," "Chain Lightnin'," "Second Chance," and more.

According to Donnie Van Zant, co-founder and vocalist, "This music keeps our wheels on the road. We're a band that's tried to stay honest with what has driven us over the years. We started out with nothing but bold determination to make our own history and to endure. Looking back now, it has been our greatest pride to have persevered and attained that level of success and longevity. For us, it's the ultimate validation."

"And the magic's still there," says Van Zant. "It's an emotional high for us to keep 'bringing it' after all these years...When those lights go down and we all walk up those steps to the stage and hear that crowd roar, it's a real rush to the head. It feels like we're getting ready to strap ourselves in, and it just takes off from there."

Tickets for this red hot concert may be purchased at FireLake Grand, or by calling 405-964-7777, or by logging on to www.firelakegrand.com. Tickets range from \$24-\$59.
