## Comedian Brad Williams Appears at FireLake Grand

Shawnee, OK-Jokers Wild returns to FireLake Grand as Brad Williams takes the stage on Friday, April 16<sup>th</sup> at 8 pm. He will have the audience in stitches as he puts a hilarious spin on the people and events in his life.

“My comedy comes from real life, real life situations, real life scenarios that have happened to me,” said Brad. “I get robbed; I find a joke in it. It’s just humorous observations.”

Brad Williams’ sense of humor has enabled him to make his audiences comfortable with his stature. Brad was born with Achondroplastic dwarfism and suffered through stares and taunts. When he discovered that he could make people laugh by making jokes about his stature, he began his comedy career performing in local coffeehouses on open mic nights. His big break came when he was discovered at a Carlos Mencia Show. As a result, Brad went on the road with Mencia and has opened for him ever since. Brad has also appeared on The Mind of Mencia on Comedy Central. Brad proves that anyone can be successful in spite of his shortcomings.

“We are glad to welcome Brad Williams back to FireLake Grand,” said Brad Peltier, Director of Marketing for FireLake Grand Casino. “He has had audiences laughing from coast to coast.”
