Country Music's Billy Ray Cyrus at FireLake Grand

Shawnee, OK- FireLake Grand is proud to present country music superstar, Billy Ray Cyrus on Friday, October 14th! With songs from his new patriotic album and classic hits, this is one concert that is sure to please country music fans!

With three number one hit singles and nearly 30 chart singles, Billy Ray Cyrus is an authentic pop and country music phenomenon. Cyrus has sold more than 25 million albums worldwide. In addition to the music career, Cyrus has a successful acting career as well appearing in lead roles in PAX-TV series *Doc* and as Robby Ray Stewart, Hannah's dad on the Disney Channel hit series *Hannah Montana*. Billy Ray Cyrus also appeared in and co-produced *Hannah Montana: The Movie*. The movie featured a duet by Billy Ray and his daughter Miley who played Hannah entitled "Butterfly Fly Away." The song rose to #1 on the country charts and on the Billboard 200.

An American patriot at heart, Cyrus strives to give back to those in the military and veterans who have sacrificed so much for our freedom. Twenty years after Cyrus recorded "Some Gave All" which was certified 9x Multi-Platinum, he has released a collection of patriotic songs titled *I'm American*. The inspiration for the album came from a USO Tour that he was on in Iraq and Afghanistan. Many of the soldiers relayed the importance of "Some Gave All" in their lives. Thus, the idea for *I'm American* was born.

"For all of the goals I've had in my life, the one that brings me the most joy and satisfaction is the ongoing impact that my song 'Some Gave All' has had," reported Cyrus. "It was a pleasure and an honor to do a new version of that song and make it the centerpiece of *I'm American*, which is a very special project and a true labor of love. This is my tip of the hat to our military...my way of giving back and saying thank you to them for the gift of freedom they have given to this great country."
