"I rant, therefore I am," Dennis Miller quips. Miller's books *The Rants* and *Ranting Again* have found yet another audience for his observations served up with a dose of common sense.

On the subject of marriage, Miller states, "After seven years of marriage, I'm sure of two things - first, never wallpaper together, and second, you'll need two bathrooms... both for her. The rest is a mystery, but a mystery I love to be involved in."
