Legendary Comedian Comes to FireLake Grand Casino

Shawnee, OK – The laughs keep coming in October as FireLake Grand Casino, in Shawnee, Oklahoma, celebrates their second anniversary. Legendary comedian Steven Wright will take the stage Friday, October 25th for one night only. Known for his lethargic voice and slow, deadpan delivery, Wright has made a name for himself and his one-liners.

“We are so excited to have Steven Wright coming to FireLake Grand Casino in October to help celebrate the casino’s second anniversary,” said Marketing Director Brad Peltier. “His style of comedy has made him a favorite with audiences and respected by fellow comedians.”

A regular on the late night comedy shows, including **Late Night with David Letterman**, **The Tonight Show with Jay Leno** and **Jimmy Kimmel Live**, Wright has parlayed his comedic success into acting roles with a recurring role on **Mad About You** and has supplied the voice for the radio DJ in **Reservoir Dogs** and for Bob in **Babe: Pig in the City**.

The two time Grammy Award nominee and Academy Award winner recently released a follow up to his popular 1985 comedy album **I Have a Pony** called **I Still Have a Pony** and was named #23 on **Comedy Central**'s list of the 100 greatest stand-ups of all time.

Tickets for each performance are currently on sale at the FireLake Grand Casino Gift Shop or by calling 405-96-GRAND. For more information, log on to www.firelakegrand.com.
