**WITNESS A PIECE OF AMERICAN MUSIC HISTORY
WITH THE FOUR TOPS AT FIRELAKE GRAND CASINO**

*One of Motown's Most Successful Groups Brings Its Show
to FireLake Grand Casino*

SHAWNEE, OKLA. Feb. 19, 2007 -- The Four Tops will bring their legendary Motown sound to Shawnee, Okla. when they take the stage at FireLake Grand Casino Tues., Feb. 27 at 7pm.

In 1953, while attending high school in Detroit, four talented young men came together to form a group that would shape the sound of music to come. The Four Tops would go on to become one of the longest-lived male vocal groups to emerge from the 1960s Motown era. By 1964, the songwriting/production team of Holland-Dozier-Holland began working with the Four Tops at Motown Records and produced many top charting hits for the group.

The Four Tops have been performing together for over 40 years and in that time have accumulated a number of timeless hits including "I Can't Help Myself (Sugar Pie Honey Bunch)," "Baby I Need Your Loving," and "Reach Out I'll Be There."

"The Four Tops are truly a piece of American Music History. Their songs continue to connect with generation after generation," said Brad Peltier, Marketing Director of FireLake Grand Casino. "With so many songs for fans to

sing a long to and the dynamic energy the group brings to the stage, this show is one you will not want to miss.”

Tickets are on sale now at the FireLake Grand Casino gift shop, or by calling 405-96-GRAND. Prices range from \$19 to \$59.
